Two championships in a row for Quinney

VICKI BROOKER
Review Staff

Jarret Quinney made it two Elk Point Oilmen's Golf Tournament wins in a row Saturday night, edging out 2013 champion Sean Hill, with Chad Colbourne in third place and Jordan Cousins fourth in the Weatherford Canada Partnership Championship Flight.

The awards came at the end of a long, cold and soggy day of golf, with the sun not emerging until the streaks were on the barbecues, but the rain didn't keep the field of 102 entrants from completing their final rounds, or the Oilmen's Association golf committee from celebrating the association's 32nd annual successful tournament.

Oilmen's president Ryan Hahn thanked his committee for their efforts, noting that, "One guy was here

all weekend, rain or shine," and calling for a round of applause for Jason Pankiw. He also applauded the hole spotters for carrying on their duties despite the weather, and said, "This stuff doesn't happen without them." Golf clubhouse and course staff, and the Town of Elk Point, which allowed overflow camping, were also on the thank you list, as were the long list of sponsors and Corrine Cumby, who takes care of the tournament paperwork in a very efficient fashion.

"With the economy the way it is, we thought it would be tough to get sponsors. Big, big applause to this great group for getting the sponsorship, and to the businesses who gave money and prizes when it was hard to give."

Hahn said the committee is "looking at changes" for the 2016 tournament. "We're considering a two-man scramble for the weekend. I think change is good, but we will have a vote to decide it."

Lyle Frisby brought greetings from the 2015 Oilman of the Year, Russ Hebblethwaite, who was unable to attend the tournament due to a prior commitment.

Hahn kicked off the awards by announcing the Hidden Hole prize winners: Hole 1 – Billy Quinney and Chris McDuff, Hole 2 – Kevin Rudell, Hole 3 – Preston Krankowsky and Wayne Berezanski, Hole 4 – Logan Becker, Hole 5 – Andre Campeau, Hole 6 – Shawn Pavoll, Alex, Hole 7 – Clayton Anderson, Hole 8 – Jerry Kopeck, Hole 9 – Curtis Porcina, Garth Letestu. Elk Point Minor Hockey sponsored Friday's event on Hole 3, raising \$1,580 for their organization and ending in a putt-off won by Lyle Frisby, who won \$500.

Flight winners, with sponsors in brackets, were: Flight 1 (Rockwell Servicing Partnership) 1. Kurt Kozicky, 2. Joe MacKinnon, 3. Murray Cochrane, John Regnier.

(Continued on Page 3)

Vicki Brooker photo

CHAMPIONSHIP FLIGHT WINNER Jarret Quinney (left) shared Saturday night's spotlight with flight winners (left to right) Flight 1 - Kurt Kozicky, Flight 2 - Trevor Gilbey, Flight 3 - Brant Evans, Flight 4 - Colton Hymanyk and Flight 5 - Logan Becker. More winners on Page 3.

Break-ins revive interest in COPS reorganization

More volunteers still required to make program workable

VICKI BROOKER
Review Staff

Mayor Parrish Tung told Elk Point town council last week that there is a renewed interest in re-establishment of the Citizens on Patrol (COPS) program after a recent rash of break-ins.

"The Town is still keen on supporting COPS, but this is a community driven, volunteer-run program," he reminded council. Last fall, interest in bringing back the program resulted in six approved applications, "But we're looking for a total of 16 to 20 people," in order to make the program workable, the mayor added.

With eight to 10 two-person teams, each team would only have to patrol one weekend every two to two-and-a-half months.

Applications are available at the

town office. Once an application has been completed, the applicant must pass a criminal record check. When a sufficient number of applicants have been approved, they will take part in a three-hour training session conducted by a member of the RCMP before being given the appropriate equipment to begin patrolling the community and aiding the RCMP to keep this community a safe and pleasant place to live.

Pay those water bills!

Residents who have ignored their water bills are about to get a rude awakening, when town crews come to shut off their water supply.

As of the Aug 10 council meeting, a total of 84 accounts out of just over 660 were in arrears, with a total of more than \$10,000 owed to the town. CAO Ken Gwozdz told council there are "all kinds of reasons" why bills go unpaid, such as

job loss and people away on holidays, "but utility bills have to be paid."

Because the percentage of overdue accounts is so high, town council unanimously agreed that the town's Utility Bylaw must be enforced, with a letter going out to remind the residents or businesses that their bills have not been paid, with Public Works being given a work order to shut off the water to those who choose to ignore the reminder and leave the bills unpaid for more than 60 days.

Some shut-offs have already taken place.

Grandparents' Day

Council has received word that the annual Grandparents Day event is scheduled for Sunday, Sept. 13. The Town will support the event with a \$150 donation to cover the cost of prizes for the Elementary School Grandparents

Day contest that is a feature of each year's event.

Oilmen's Golf Tournament

A request from the Elk Point Oilmen's Association to use an area at the Recreation Park for overflow camping was approved, with the association willing to clean up the area after use if the additional space is required.

Chamber of Commerce

CAO Gwozdz informed council that the chamber of commerce has an authorized overdraft, rather than a loan, that in the past has been guaranteed by the town. Council is acting on the motion approved by the chamber to ask the town for assistance and is prepared to enter into a lease agreement with the chamber and to prepay the lease by rolling the amount of the authorized overdraft into a long-term loan.

NOTICE

PROPOSED TAXI BYLAW #743/15 TOWN OF ELK POINT

Please be advised that Town Council gave 1st reading to the proposed Taxi Bylaw 743/15 for the Town of Elk Point on Monday, July 27, 2015.

A Copy of Taxi Bylaw 743/15 is available at the Town Office during regular Office hours Monday through Friday 8:30 AM to 12:00 PM (noon) and 1:00 PM to 4:30 PM should you wish to review.

Proposed Taxi Bylaw 743/15 will apply to any and all Taxi Services in the Town of Elk Point once adopted by Town Council.

On August 24, 2015 Town Council intends to review any comments whether written or verbal pertaining to the proposed Taxi Bylaw 743/15.

Should you wish to submit comments and/or concerns please do so at the Town Office by mail, fax, email or attend in person.

AWARENESS CHECK STOP - On August 12, Elk Point RCMP along with Alberta Commercial Vehicle Transportation and the Office of Traffic Safety conducted a Impaired Driving Awareness Check stop on Highway 646 and 41. Vehicles were stopped and given information about impaired driving along with a drink Koozie stating 'Report Impaired Drivers' and beach balls stating 'The problem with Impaired Driving is the Mourning After - Don't Drink and Drive.' Shown taking part in the Check stop were, left to right: Barry Sallstrom, Cst. Anthony Unger, Lance Skogg, Cst. Anita Doktor and Kyle Shaler.

Council

(Continued from Front Page)

Procedural bylaw

Council gave all three readings to a change in the town's Procedural Bylaw, changing the term of office for the deputy mayor from nine months to 12 months. This change is made necessary by the change of time between municipal elections from three years to four.

MSI allocation

Alberta Municipal Affairs has advised the town that Elk Point's Municipal Sustainability Initiative (MSI) funding for 2015-16 is \$386,654, which includes \$326,552 in capital funding and \$60,102 in operating funding, in addition to the \$116,027 capital funding allotted in

March of this year. Allotments are based on official population, education tax and kilometers of road in the municipality.

Big Bike

Elk Point Healthcare Centre sent council an invitation to take part in the Big Bike ride for the Heart and Stroke Foundation, which is coming to town on Sept. 10. Council agreed to sponsor one staff member or councillor in the amount of \$50 for the ride.

Asset Management

Gwozdz reported on a very informative Asset Management Workshop he attended recently that will help direct decision making on capital and operating expenditures in the future and noted that asset management may be a requirement in the near future to obtain federal and provincial funding.

Bensmiller wins World

VICKI BROOKER
Review Staff

Kurt Bensmiller was named World Chuckwagon Champion on Saturday night in Rocky Mountain House, where he finished the season 81 points ahead of reigning World Champion Kirk Sutherland, with Obrey Motowlo third and Rick Fraser fourth.

Doug Irvine won Sunday's Battle of the Rockies title with the fastest time of the day, 1:18.90, well ahead of final heat competitors Jason Glass, who added a one second Outrider Interference penalty onto his second place finish, Dustin Gorst, who finished 3.05 seconds behind Irvine and Chad Harden, whose wagon was ahead of the barrel.

Congratulations Kurt and Doug!

Capsule Comments

Drug shortages and price changes may necessitate a change in brand of your medication. Most of the time this isn't a problem but if it's a *thyroid* or *warfarin* brand change, it is good to get a blood test a short while after the change to ensure the new brand is doing the job as well as the old.

Since the human papilloma vaccine was introduced back in 2006, there has been a 56% decrease of HPV infections in girls aged 14-19. Side effects of the vaccine are rare (1-10 cases in a million doses given) and the vaccine does not encourage early sexual activity. It's recommended for girls starting at the age of 9 and is a protection against cervical cancer in the future.

It's quite evident when looking at the statistics on tobacco and alcohol use why Russia leads the world in cardiovascular disease. Russians are the biggest users of tobacco products and their alcohol consumption is also high which places the country near the top in the number of cancer deaths per year as well.

E-cigarettes are still unregulated products. There are no standards as to how much nicotine or other ingredients they contain. The United Kingdom is one of the first countries that will legislate these products starting in 2016. Proponents of the product say they are safer than smoking tobacco but they still contain nicotine an addictive substance, that increases blood pressure and heart rate.

If you still smoke and want to quit, we can help.

Summer too short

Summer holidays seem to have sped by all too fast and we are now less than two weeks from the first day of school, quickly followed by the usual round of meetings of clubs and organizations as they get back on track for a new season.

There's not much time left, but there's still time to visit the spray park a few times, spend a weekend at the lake, catch another fish or two, lick a few more ice cream cones, go for a hike or a bike ride on the Iron Horse Trail and visit Fort George and Buckingham House, where the Bushcraft 1792 event goes on Saturday.

Enjoy every last minute while summer lasts!

RECREATION CORNER

Get informed!

JENA COLBOURNE
Recreation Director

I have been seeing a lot of Back to School ads out already. Crazy how every year summer seems to get shorter and shorter. My family has already begun looking at activities for the fall and getting kids signed up for sports and groups.

On Tuesday, Sept. 8, the County of St. Paul and Elk Point FCSS, along with the Town of Elk Point's Recreation Department, is hosting a Community Information Night. Most, if not all, of Elk Point's clubs and organizations will be on hand to answer questions, give information, and to sign you and/or your kids up.

If you represent a club or organization in Elk Point and have not yet received an email from the FCSS you can contact me at recreation@elkpoint.ca and I'll make sure you get the registration forms. The FCSS would like the forms in as soon as possible so they can make sure there's enough space and tables available.

Information Night will be held at The Allied Arts Centre on September 8th, from 7:00 p.m. - 9:00 p.m..

Now let's get back to summer, specifically cool summer nights. What does that remind you of? Drive-in Movies! My generation may have been the last to enjoy an old-school drive-in movie, where you pile as many kids as possible into the hatch of the station wagon, cover them with blankets and sneak a few in. The sound system which would attach to the window of the driver's side, the smell of grass mixed with popcorn. It was glorious!

You can re-live that feeling and maybe give the kids a blast from the past. The FCSS is hosting a Drive in Movie on Aug. 28. Instead of vehicles, they ask everyone to bring a comfortable lawn chair or a blanket to enjoy the movie.

The Co-op has donated all the equipment, the trailer, screen, and truck to watch the film AND on top of all that they also donated popcorn for everyone in the audience. Since there's popcorn there has to be pop - or a drink of some kind - the Town of Elk Point's Rec Department will be donating a drink for every audience member.

The movie selection is yet to be determined, but I am told it will be family friendly.

On to our Quilters and Crafters- there's a bus trip organized for September 12th to attend The Creative Stitches and Crafting Alive in Sherwood Park. The trip will cost between \$25 and \$30 depending on capacity. This is one of the biggest quilt, craft, scrapbooking, sewing, knitting, beading, etc. expo in Western Canada. If you would like more information on the trip or to book your spot contact me at recreation@elkpoint.ca.

Coming up... Grandparents Day on Sept. 13, more details in the next edition!

WAY BACK WHEN...

Water pipeline, vets honoured, Happy Trails remembered

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF AUGUST 18 IN...

1985

Town council voted to develop a series of highway commercial lots to fill a growing need in the community, at a five-hour meeting where industrial development dominated the agenda. A new half-million-dollar Esso bulk oil plant was delayed because of a land dispute that could tie up the piece of property they hoped to purchase, because another potential purchaser of the parcel threatened to take the town to court after its deal fell through.

1990

Norma Berg won her fourth Elk Point Fair aggregate in five years, with first place in the fresh fruit, cut flowers and house plants sections and second in canning adding up to the win, edging out runners-up Lois Yaremkevich and Jean Dacyk. A shorthanded town council dealt with a full agenda that included discovering the total cost of a permanent water supply pipeline from the North Saskatchewan River would be in the neighbourhood of \$815,000, while a temporary pipeline to fill the raw water reservoir would cost about \$100,000.

1995

Fifty years to the day since World War II ended with victory over Japan, Elk Point Royal Canadian Legion proudly unveiled its new cenotaph, still waiting to be topped with its statue of a Legion member remembering his comrades, as a military fighter jet saluted the event with two passes overhead. Sid Holthe was presented with 'A Great Albertan' plaque by MLA Paul Langevin, who said Holthe's involvement in the cenotaph project was another example of his long-standing and continuing tradition of community service.

The Elk Point Review publishes a variety of opinions as a contribution to debate on matters of public concern. Unsigned editorials express the view of this newspaper's editorial board which includes the Publisher and the Editor. Signed pieces express the view of the individual writer.

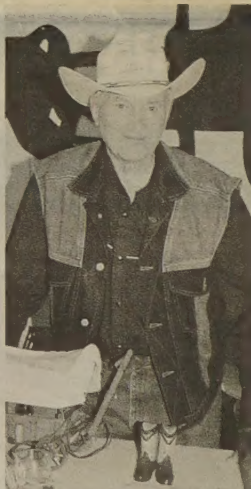

2000

An exceptional quilt show with no less than 55 handcrafted quilts set the stage for the annual Agricultural Fair, where Lois Yaremkevich won the Grand Aggregate award as well as section awards in baking, canning, house plants and seniors. A wild wind felled a farm shelterbelt, killed one sheep and left another missing at the Kulczycki farm northwest of Elk Point, but did not damage the pens and cages of the family's petting farm.

2005

A total of 94 full-sized quilts and quilted items made a colourful background for the Elk Point Fair, with People's Choice awards going to Millie Orr and Lila Yakimec and a new category bringing in 20 'works in progress', while a group of dedicated local quilters hand tied two quilts for the Red Cross as they awaited the announcement of the fair's aggregate winners, Christina Brown, Millie Orr and Lillian Balazs.

Wagon train enthusiasts, including Joe Brunner, shown at right, with his memorabilia, looked back at their Happy Trails journeys at a reunion in Heinsburg.

2010

Lillian Balazs of Cold Lake was the grand aggregate winner at the Elk Point Horticulture and Craft Show, in addition to wins in the canning and seniors' sections, with Dolores Mohyluk and Verona Lea Flanders placing second and third. Problems arising from RVs parked on streets surfaced at the town council meeting, where it was noted that trailers and towable conveyance detached from the tow vehicle could be left on a street, according to the town's streets and sidewalk bylaw.

IN MEMORIAM

IN LOVING MEMORY OF
Barrie Wayne McFADYEN
May 3, 1945 - Aug. 22, 2007

In a quiet graveyard, just a little east of town, where gentle breezes blow,

Lies the one we loved so dearly, whom we lost eight years ago,

It's lonely here without you, I miss you more each day, life is not the same since

That fateful night that you were called away.

Your resting place we visit and place flowers there with care, no one knows the heartache

As we turn and leave you there.

May the winds blow softly and whisper in your ear, just how much we love you

And wish that you were here.

Lovingly Remembered and Sadly Missed

Chris and Family

IN LOVING MEMORY OF
Barrie Wayne McFADYEN
May 3, 1945 - Aug. 22, 2007

There was no chance to say good-bye

That night eight years ago when you were called so suddenly away.

It broke our hearts to know you would no longer be with us.

You were always so kind and thoughtful in your humble way

And when we needed help, brotherly love, or wise guidance

We could always depend on you.

Your life was one of thoughtful and generous deeds for others.

Our hearts ache with sadness as we remember you

And what you meant to all our family.

We are thankful for the times we have shared.

Those special years when our family chain was complete can be no more

But the precious memories you have left with us

Give us courage and strength to meet each day's challenges.

You will be always remembered, always loved, and always missed.

Marjorie and Family
Myrna and Bill

COUNTY OF
ST. PAUL No.19

HIGHLIGHTS

August 11, 2015
Council Meeting

Do you want to be ALERTED in the case of an Emergency? – The Town and County of St. Paul, Town of Elk Point and SV of Horseshoe Bay now have a Notification/Alert system that can be used to notify residents of life threatening events such as a tornado warnings, severe winter storms or watches in our area. However, in order to receive notifications, residents must register through www.stpaul.ca. All residents are encouraged to register. If you require assistance to register or additional information, contact the County office at 780-645-3301.

FCSS – The merger with the County of St. Paul and Town of Elk Point FCSS has gone smoothly and the Elk Point office is open to the public three days a week (schedule to be determined). On the other days, residents can call the St. Paul office at 780-645-1950 for assistance.

The County of St. Paul and Elk Point FCSS is hosting free Drive In Movie Nights. Shows will be held in the following communities - August 20th in Mallaig, 21st in St. Paul, 22nd in Heinsburg, and 28th in Elk Point. Shows begin at dark. FCSS is hosting the Elk Point awareness night on September 8 at the Allied Arts Building in Elk Point. The Grandparents Day Walk will be held on September 13 starting at the Elk Point Seniors Centre.

Strategic Plan – Administration provided a quarterly update on the Strategic Business Plan. The Strategic Plan can be viewed on the County website at www.county.stpaul.ab.ca.

Planning and Development – Council approved Bylaw No. 2015-17 to amend the Land Use Bylaw No. 2015-50 as it relates to rezoning 2 acres in PNW 33-55-3-W4 from Agricultural to Industrial Commercial. The applicant will be building a cardlock system on this property. Concerned residents attended a public consultation with the applicant on August 4th and had their questions answered at that time. No one appeared for the public hearing.

Council gave first reading to Bylaw No. 2015-19 to cancel part of Road Plan 3445BM between W 1/2 14-57-6-W4 and E 1/2 15-57-6-W4 as the grade of the road is steep and only serves as an access to the small parcel of property owned by the resident who is interested in purchasing the road allowance after it is cancelled.

A Public Hearing was held to discuss Bylaw No. 2015-15 regarding a road closure between SE 6-60-11-W4 and NE 31-59-11-W4. Council is considering the road closure as there is a dugout on the road allowance which serves as a necessary component of the water management system on the adjacent farm. The bylaw will be now sent to the Minister of Transportation for approval before Council can consider second and third reading.

Gates along Iron Horse Trail – the Iron Horse Grooming Foundation received a matching grant to replace their Texas gates along the Iron Horse Trail. Council agreed to assist with the matching portion of the grant by providing work in-kind to install the gates. County crews have started installing the gates.

Building Canada Grant – Jointly with the County of Two Hills, the County of St. Paul has been successful in obtaining a Building Canada Grant and will be receiving \$3,433,333, (2/3 of the total cost of the project) for the expansion of the Ashmont Lagoon as well as a wastewater transfer station. The balance of the project will be funded by the County of St. Paul and County of Two Hills.

Funding - \$200 – Elk Point Grand Parents Day Walk

Thank You

THE ELK POINT & DISTRICT AGRICULTURAL SOCIETY WOULD LIKE TO THANK THE FOLLOWING FOR THEIR GENEROUS SUPPORT TOWARDS ANOTHER SUCCESSFUL HORTICULTURAL & CRAFT SHOW:

All of the wonderful volunteers who gave up a good part of their weekend to help put this event on – Rona, B & R Eckels Transport Ltd, Hahn Welding and Oilfield Services Ltd, JPD Enterprises, Shamrock Valley Enterprises Ltd, Elk Point Insurance, Empress Family Restaurant, Knotty Boyz, Elk Point Co-op, Hometown Grocers, Elk Point Review, Moe's Greenhouse, Elk Point Pharmachoice, UFA, and The McFadyen Family.

Special thanks to Rona for the loan of the ladders, and also to the B & R Boys for climbing those ladders many times in order to install the quilt display.

AS ALWAYS, THE ELK POINT COMMUNITY WAS VERY GENEROUS IN THEIR SUPPORT AND WE THANK EACH AND EVERY ONE OF YOU.

County looks to drive Highway 28 concerns forward

JANICE HUSER
Review Contributor

County of St. Paul council is hoping to reignite a conversation about the safety and the need for upgrades along Highway 28.

Reeve Steve Upham added the item to last week's regular council meeting agenda, and noted that just

because the energy industry has slowed down in Alberta, it hasn't diminished the need to improve the highway's safety.

A previous letter campaign had taken place in 2013. A number of municipalities along the highway sent letters to the then-PC government to have their concerns heard.

"We still feel this road needs work and is a priority," said Upham, during last week's meeting.

Coun. Frank Sloan, whose division includes areas along Highway 28, said he felt that maybe this time, municipalities should shift their focus from the amount of industrial traffic along the highway to the amount of recreational traffic that uses the major route.

"It's unbelievable," said Sloan, when speaking of the recreational traffic he sees on the highway at the beginning and end of every weekend throughout the summer months. "We can't just talk on energy anymore."

Coun. Dwight Dach agreed, saying tourism is also

one of the province's largest industries.

"We can't drop the ball . . . we have to keep it going," said Sloan. A motion to approve a letter to be sent to the new provincial government regarding Highway 28 was approved.

Texas Gates

The Iron Horse Trail will soon see the installation of a number of new Texas gates, thanks to a recent grant. The Iron Horse Grooming Foundation has received a \$50,000 matching grant from the provincial government as part of the Alberta Recreation Trails Program.

The group also received a donation of pipe and trucking from B&R Eckels, to help with the project. The grooming foundation requested the county's assistance in installing the gates. The work in kind will be used as matching dollars toward the grant.

A motion to approve the installation of 40 new Texas gates along the Iron Horse Trail, with work being done by the county, was carried.

The successful individual will be highly energetic, enthusiastic, student-centered, and able to work both independently and as part of an instructional team. Previous training and/or experience in working with children or individuals with exceptional needs would be considered an asset. Candidates must also be willing to meet personal/medical health care needs as required.

A copy of a current Criminal Record Check and Alberta Children's Intervention Check must be submitted with application.

For additional information contact the principals at the above noted schools.

Forward resumes to the attention of the principal at the **SCHOOL or SCHOOLS** where you are applying by **August 21, 2015**.

When openings occur, only those applicants who are shortlisted will be contacted.

**IT'S PART OF OUR PROMISE****...TO GIVE YOU WHAT YOU NEED TO SUCCEED.**

AltaGas Utilities distributes natural gas to 70,000 residential, rural and commercial customers in more than 90 communities across Alberta. A leader in safety among Canadian natural gas distributors, our reach extends beyond our offices and facilities into the neighborhoods, towns and communities we serve.

TECHNICIAN TRAINEE, DISTRIBUTION OPERATIONS - ST. PAUL
Progressive Salary Range: \$30.81 - \$37.00/hour

As a Technician Trainee, Distribution Operations you will be trained to maintain and operate our natural gas pipeline systems and associated equipment and become a fully qualified technician. Duties include providing line locates for excavators, customer service calls, meter read verification/meter replacement, system operation/maintenance and emergency response.

Qualifications will include:

- High school diploma
- Valid Class 5 driver's license
- Ability to demonstrate mechanical aptitude and dexterity when using tools, equipment and instruments
- Ability to demonstrate good communication skills, decision making skills and a strong work ethic
- Ability to establish good working relationships and provide excellent customer service
- Proficiency working with various computer software systems, including the Microsoft Office suite
- Ability to demonstrate good judgment and maintain motivation and performance when working independently
- Ability to demonstrate safe work habits and adhere to safety regulations
- Residence within thirty minutes of our St. Paul district office
- Gas Fitters B ticket and gas utility operations experience*

* Candidates not meeting above qualifications may be considered and are encouraged to apply.

AltaGas Utilities values safety, honesty, loyalty, respect, reliability, accountability and ethical behavior. Compensation package includes competitive wages and extensive benefits. AltaGas Utilities is a Company dedicated to the well-being of its employees.

For further information and to apply for this position, please visit our website at www.agutl.com.
